

# Tritlington First School

## Class One - Early Years and Year 1 (Mrs O'Dell) Continuity of Education - Learning at home

We will continue to send updated messages via e-mail and social media so please check regularly. Further information can also be found on our school website. **The yellow banner on the front page will show any important announcements.** Please ensure the school has your current e-mail address and mobile telephone number. You can contact the school by e-mail on: [admin@tritlington.northumberland.sch.uk](mailto:admin@tritlington.northumberland.sch.uk)

We will be providing a range of learning activities for the children in every class, while the school is closed. The document below details how to access these activities.

### Nursery and Reception

Mrs O'Dell will continue to use Tapestry to maintain contact with parents/carers with pupils in Nursery and Reception.

### School 360 online platform

To ensure the teachers can send out regular information, we will be using this online platform for home/school contact. We will be using this as a means of setting work and tasks for pupils. Children in Nursery, Reception and Year One will have access – see information below.

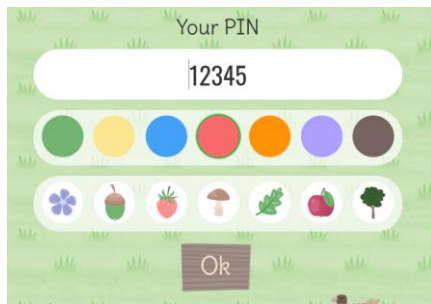

You access the online platform here: <https://school360.co.uk>

**Pupils in Nursery, Reception or Year 1 will use the EYFS log in**

Your child's login has been sent home separately.

This will be a combination of a number, a colour and an object – see the example below:

The EYFS/Year 1 pupil page looks like this:

Nursery/Reception - Click here to see if Mrs O'Dell has posted any activities for you to use.

This is your child's avatar. They can click on this to personalise it.

Year One - Click on the web to see if Mrs O'Dell has posted any online activities.

Remember: Children should be supervised while working online.

If you click on other objects, there may be other things to explore.

### Keeping active!

To keep everyone active, IMoves have offered a free login to some 'Active Blast' resources. These resources are super easy to use - no login is required and no password. Simply use the link below:

<http://theimovement.com/>

Use these videos for some daily activity. Let's keep our children happy, healthy and active throughout the weeks and months ahead.

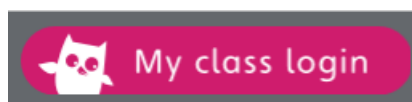

### Reading at home

Regular reading is very important. Encourage your child to re-read familiar books for fluency and practise phonics and tricky words daily.

We have set up a subscription to Oxford Owl where you can also access some e-books. You can access them via this website:

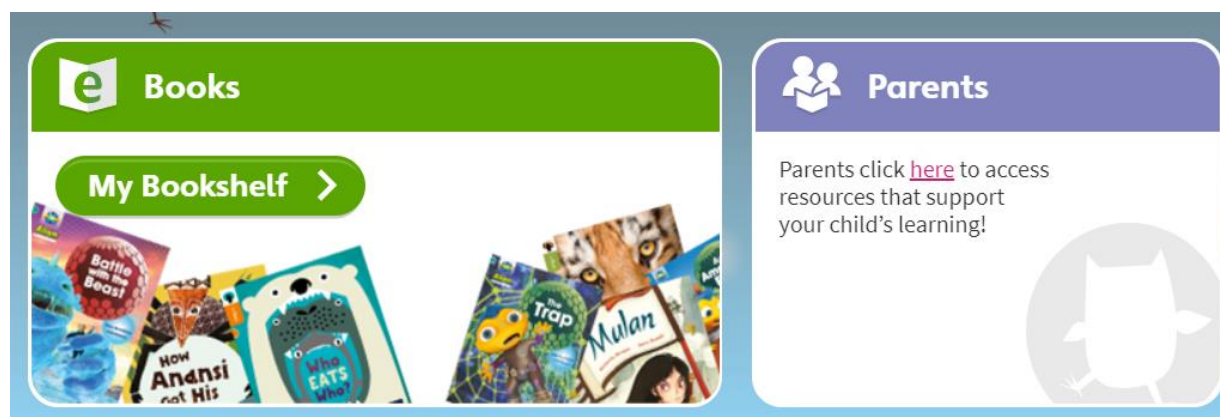

<https://www.oxfordowl.co.uk/> Then click on this icon:

Enter the class username: **Tritlington Class 1** and password: **frog123**

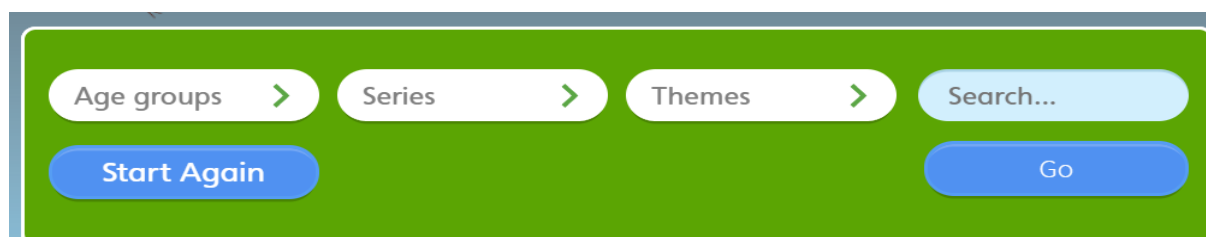

You will then enter a page with these tabs

Select e Books --- My bookshelf icon

Then you can filter and search by your child's age, reading series or theme.

There is a parental guide on the home page to support you.

## School Website

Check the 'For Parents' page on our website. Over the coming days we will add a 'Learning at Home' Tab. Teachers will add useful links and tips to support learning at home.

If you need to contact the school, you can e-mail us at:

[admin@tritlington.northumberland.sch.uk](mailto:admin@tritlington.northumberland.sch.uk)

If you have a question about learning at home, parents/carers can e-mail Mrs O'Dell directly, during normal school hours, at:

[jill.odell@school360.co.uk](mailto:jill.odell@school360.co.uk)

If you do not get a response within 24 hours, then redirect your message to the admin e-mail above.
